# St. Mary's :- An Introduction

St. Mary's High School, Mount Abu, was established in 1887 and handed over to the Congregation of Christian Brothers in 1929. It is one of the many educational institutions in India conducted by the Congregation of Christian Brothers. This congregation was founded in 1802 in Ireland for the education of Catholic Children. The CCBI is a Registered Society under the Societies Registration Act and has its Head Office at New Delhi.

The Congregation of Christian Brothers manages schools and colleges throughout the world. The main objective of the Congregation is the provision of general and religious education to Catholic pupils. Consequently, admission to this school is primarily for Catholic boys, without excluding boys of other religious denominations, when accommodation is available. There is no interference whatever in the religious principles and beliefs of non-Christian students. The Brothers recognize as the most important and sacred part of their duty the formation of the character of those committed to their care. Moral and ethical instruction, therefore, forms a compulsory part of the curriculum.

St. Mary's High School is situated on an elevated plateau with an extensive view of hills and valleys and its location is noted for its delightful walks. It is about three kilometers from the town of Mount Abu.

# Our Founder, Bl. Edmund Rice

Edmund Rice, born in 1762 in Callan, Ireland, came from an unusual Catholic family, in that, they were prosperous. Under English rule, the vast majority of Irish Catholics were poor. He became a prosperous businessman, and married at the age of 25. Tragically, his young wife was killed in a riding accident & Edmund had the care of a mentally retarded daughter.

God led him in 1802 to devote his wealth & talents to uplift the poor, realizing that education alone would improve their lot. His system of education was geared to nurture the faith of the young. Attracted by his ideas, many young men joined his Institute of Christian Brothers. This Institution was approved by the Pope in 1820.
